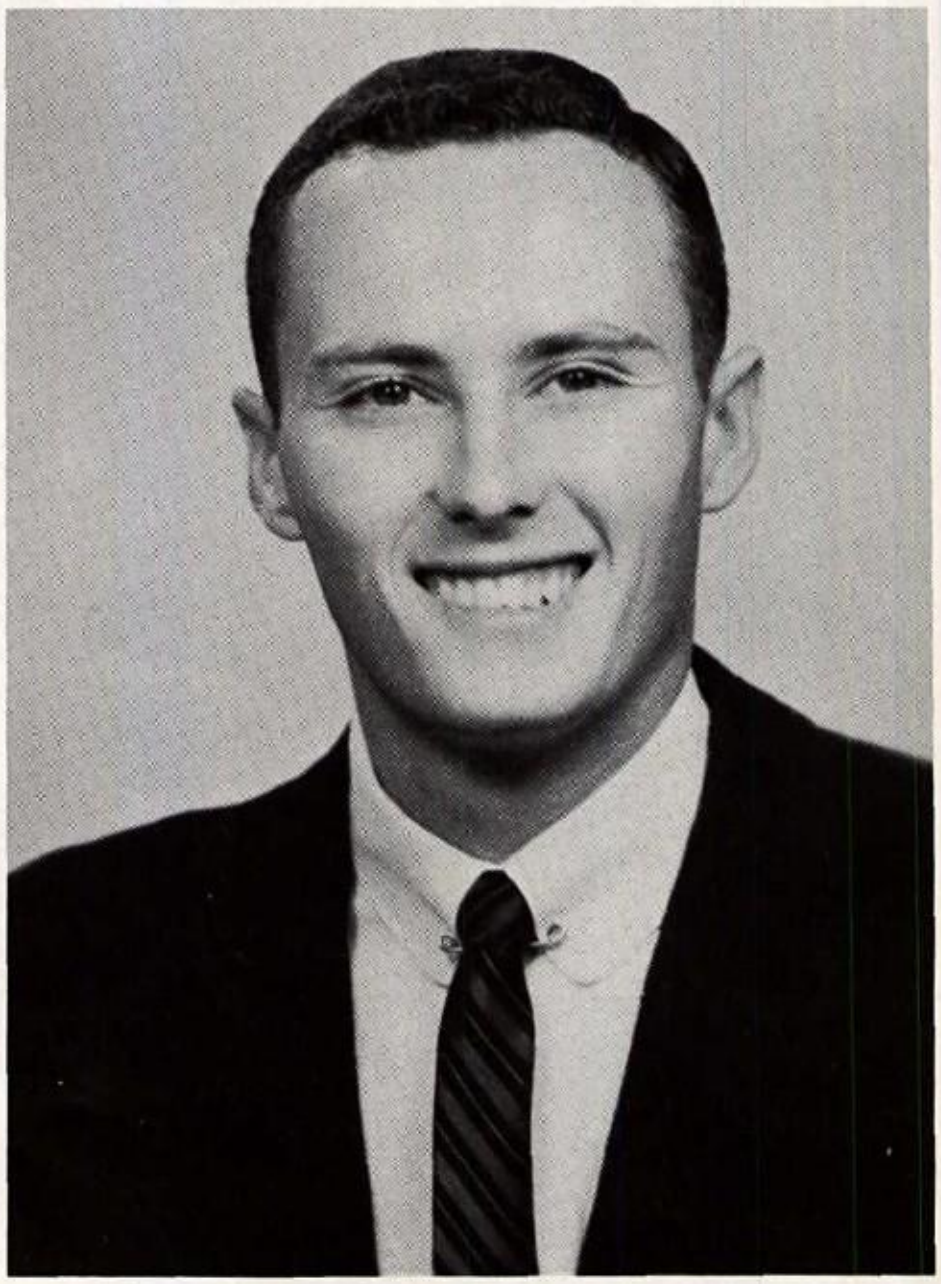
DEDICATION

Leslie Biggs

For the past twenty-five years he has been a worthy member of the Board of Education, Palmyra Public School. We think he deserves all the respect and appreciation we can give to him.



Dayle Wood

During his high school days Dayle was a member of the basketball and baseball teams. In his senior year he was president of his class and salutatorian. In his twenty years he had served as an MYF leader on all levels of the organization. He earned an American Legion Best Citizen Award.

He picked, as his life work, the teaching of young people. He was majoring in education and was making his minor in physical education.

To Leslie Biggs and Dayle Wood whose memory we shall forever cherish, we dedicate this volume of the Panther.
